Dear Children of Dooliny Day Care:

Enclosed are Child Care Invoices that are to be completed and then mailed to us at the end of each service period. Please read the instructions and follow them carefully to fill out the invoice. For us to pay you, we must receive the completed invoice within 60 days of the last day of service. Child Care Invoices will be processed for biweekly service periods, so the sooner we receive your invoice following the service period, the sooner you will be paid. Child Care payments are for services provided in the previous service period.

Submit a separate invoice for each service period. DO NOT put two service periods or part of two service periods on the same invoice. If you are requesting an adjustment for a previous service period, you must complete a separate invoice for each service period's adjustments.

If you have any questions or other concerns about invoice matters, you may contact this office. We look forward to working with you and to providing you with efficient services.

Sincerely,

Invoice Processing Unit
