PART 1: Planning Ahead

Identify a Need - What are the needs of your school/educational organization?

School/Department/Organization Needs (Based on data, strategic plans, professional development needs, etc.)	
---	--

Determine Content - What will you offer to training participants?

Session ID: Thinkfinity User Training ID: Thinkfinity Name: Training	Time Frame:
Audience:	
Customization Elements (Grade level, content area, topics, etc.):	

Set It Up - Logistics, Part 1

Training Location:	
Site:	Time:
Site Contact/ Technical Support:	Contact Phone/ Email:
Equipment Available: (Specify the equipment available to train the instructor and the participant. Are there other stated needs for small group activities? Possible? Does the room have an interactive whiteboard? Is there a whiteboard/blackboard?)	
Software, Programs, Materials: Check for specific software and programs that will be accessed during the training. Identify any special requirements for hardware, software, and materials that are needed to provide technical support if necessary.	

Set It Up - Logistics, Part 2

Registration Process within School/Department/Organization: How will participants register with their organization for the training? (This is not the Vericon Thinkfinity registration process.)
